

Hello Southeast Families,

Attached, please find this year's catalog and order form for our flower bulb school fundraiser for **spring**. Van Bourgondien Dutch bulbs have been hugely successful with our families in the past, and we are excited to have the opportunity to work with them again this year.

Spring is the time to plant flower bulbs like Gladiolus, Dahlias, Daffodils, Hostas, Lilies, Coneflowers and others. Take a look through the brochure and pick a few to plant now, and come summer and fall time, your gardens will look extra beautiful!

All orders must be returned to your child's teacher by **Monday, April 9th**. Please make checks payable to **The Southeast PTO**.

We hope you have fun looking through the catalog with your child and that you find some great bulbs to plant together.

Fundraising With Flowerbulbs

Help a Good Cause & Bring Beauty to Your Home & Neighborhood!

I want you to know that our fundraiser was a total success! Thank you so much! Not only did the boys sell a lot of bulbs and make a lot of money, but importantly, the whole thing went off without a hitch. The bulbs were easy to sell, the order was easy to place, and most importantly, the right quantities of the various bulbs we ordered all arrived on the same day.

Thanks again! We'll be back next year!
